Located just 13 miles from downtown Raleigh, this contemporary home sits on a serene 10 acre lot, with woods, meadow, a meandering creek and overlooking picturesque pond. Designed by artist Robert Irwin and constructed by Steel Dynamics, this unique property was originally commissioned for an orthopedic surgeon and thoughtfully incorporates universal design principles for easy “aging in place.” Features include extra-wide doorways, concrete floors, and all bedrooms conveniently located on the main floor. Ideal for dreamers and creative spirits, this private sanctuary offers ample space for horses, gardens, and additional buildings or barns. Plus, you’ll find four steel containers behind the privet hedge, perfect for extra storage or workshop space. The large craft room or studio could easily be transformed into an in-law or nanny suite, adding even more versatility to this remarkable property. [LINK TO AGENT’S LISTING](#)
