

Beautiful MCM in Asheboro

741 Kildare Rd Asheboro NC 27203
35.6966962, -79.8000277

Shake a martini and fire up the fondue pot, because this Mid Century Modern home nestled in the trees is ready to party! The walls of glass let in all the natural light you could want, showcasing the gleaming hardwoods on the upper level and truly bringing the outside in. Granite, new basement/bathroom/kitchen flooring, stainless appliances, and new HVAC (upstairs unit) are just a FEW of the recent updates. MCM character remains with many features like vented wall panels, original door hardware, built in drawers and shelves, radiant floor heating system, "living" roof, and HELLO orange door!! With four bedrooms (Or is it 3 with an extra basement den/game room? Up to you!), two full baths, large living area, and an office/play area, the space inside is just as beautiful as the outside. Mature landscape, extensive hardscaping, upper deck and lower brick and gravel patio areas... this truly is a must see home in the heart of Asheboro.
