

The Brezina House

1718 Highland Drive, Washington NC 27889

35.5543348, -77.0197332

Situated on one of the highest points in Washington, 22 feet above sea level, discover this exceptional residence where luxury meets modern artistic design! Completed in 2024, this one-of-a-kind home is a registered Modernist NC property, showcasing a striking Scandinavian-inspired architectural style. The dramatic skillion roof, sleek black metal siding, and exciting green trim create a truly unforgettable facade just minutes from restaurants, shopping, ECU Health Hospital, and the Washington Waterfront! Step inside to a bright, open-concept living space defined by high ceilings, an inviting fireplace, and an abundance of natural light. The home’s elegant design is complemented by features, such as stunning marble porcelain flooring, wide doorways (all the home needs to be ADA compliant is a ramp in the front), floating vanities, a truly mind-blowing jetted tub, and large luxurious showers. The designer kitchen is a functional work of art, centered around a unique island centerpiece. It is beautifully illuminated by stylish LED puck lighting and captivating Sputnik chandeliers. And the cabinets will blow your mind with their thoughtful design. Two patio doors seamlessly connect the open living area to a private, fully-fenced backyard, an idyllic setting for pets or entertaining. The private primary wing offers a tranquil retreat with a spacious bedroom, massive walk-in closet, private patio access, and a spa-like ensuite bathroom where you’ll find a luxurious two-person jetted tub and a large roll-in shower. Two additional bedrooms, located on the opposite wing of the home, offer bright patio access and ample closet space. Here you will also find the large guest bathroom which also features a large roll-in shower! Beyond the main residence is a remarkable 1,600 sqft metal building with multiple roll-up doors perfect for a car collector, passionate hobbyist, or potential for an additional rental space or in-law suite!
