

Dale Dixon Beauty on Lake Orange

4416 Arrowhead Trail Hillsborough NC 27278

36.1559972, -79.1400572

The Davidson Residence in Hillsborough, NC, by Dale Dixon, is a compelling evolution of mid-century modernist principles, where disciplined geometry, natural materials, and meticulous proportion create a house that is as much art as it is living space. Drawing inspiration from Japanese architecture, the modernist design emphasizes harmony, restraint, and the careful orchestration of light and shadow, while expansive glazing and open circulation forge a seamless connection between interior and the surrounding landscape. Nestled on a rare and idyllic private lake, just minutes from historic downtown Hillsborough and with easy access to main highways, the residence offers a unique blend of serene waterfront living and close by connectivity. Recognized with an AIA NC Merit Award, the house exemplifies Dixon's mastery of translating mid-century modernist ideals—clarity of form, spatial fluidity, and integrity of material—into a serene, site-sensitive home that celebrates both the human scale and the enduring dialogue between architecture and nature.
