

The Woodland Modern

3614 Kingston Rd Winston-Salem NC 27106

36.1429545, -80.3122768

Set against a 30-acre wooded backdrop in Winston-Salem, this renovated modernist-inspired residence blends clean architectural lines with a deeply private natural setting. Vaulted ceilings with exposed beams, expansive windows, a sculptural painted-brick fireplace, and warm wood-toned flooring define the main living spaces, while contemporary updates preserve the home's original character. More than 2,500 square feet of finished space includes a flexible lower level with its own bedroom, bath, laundry, and living area—ideal for guests, studio use, or multi-generational living. Nestled among mature hardwoods on a quiet cul-de-sac, the home offers a rare balance of architectural presence, adaptability, and connection to the landscape. AGENT'S LISTING FOR ADDITIONAL PHOTOS:
