For the buyer who does not want ordinary, this architect-designed Mid-Century Modern residence overlooking the 14th hole of Colonial Country Club offers a rare blend of design, privacy, scale, and setting. Designed by renowned architect Jon Andre Condoret, the home features over 4,600 sq ft with soaring vaulted ceilings, expansive glass, warm natural materials, and a dramatic stone fireplace that set it apart from typical construction. The updated chef's kitchen blends modern function with original mid-century character. A flexible layout offers room for entertaining, guests, multi-generational living, or everyday comfort. The lower level includes a game room, movie room, wine cellar, and access to outdoor living areas. Enjoy golf course views from the screened porch, elevated deck, balcony, or gas fire pit area. Set on over an acre with mature landscaping and no HOA, this is a rare modern classic that simply cannot be replicated today. More photos coming...
