3.2 Acres of Private LuxuryThis exceptional Mario Grigni-designed executive residence, masterfully built by Wolfe, is now available in the prestigious Winds section of Cedar Hollow Lakes. Showcasing a striking cedar-and-stone exterior, the home rests on a serene cul-de-sac, embraced by 3.2 acres of lush, wooded, and meticulously landscaped grounds.Built in 2003, this home has been completely updated and redesigned – inside and out – for modern living, blending year-round comfort, elegance, and effortless enjoyment. The transformation addressed outdated layouts, inefficient systems, and underutilized spaces, while preserving the home’s character and enhancing its curb appeal.Inside: modern finishes include an impressive 2-story split-stone column and chimney breast, new mediterranean travertine tile flooring, stained beam ceilings, and new gas log fireplace. The addition of a large sunroom and functional mudroom and the redesign of the dining area, family room create a more open, inviting flow. The completely updated chef’s kitchen features mahogany stained solid maple soft-close cabinets, quartz countertops, an oversized island, and all-new state-of-the-art appliances that include two separate professional grade stainless steel refrigerator and freezer units - and seamlessly flowing into the dining and living areas for effortless entertaining. Fresh paint, updated powder room and bathrooms, and energy-efficient systems complete the remodel for improved comfort and reduced costs.Outside: the exterior was refreshed with a new stone front porch, new lpe rear deck, two rear patios w/firepit, front irrigation system to enhance architectural detail and visual harmony. Landscaping and exterior lighting upgrades further elevated curb appeal. The result is a home that feels both timeless and contemporary – perfect for entertaining, relaxing, and enjoying the outdoors year-round.
