High impact. Low imprint. Meet Tower - one of Raleigh’s pioneer net-zero-energy home collections. Tower’s Matsumoto award-winning design, featured by The Wall Street Journal, combines the iconic elements of modernist styling & the evolved principles of eco-friendly construction. The result? Three modern marvels generating virtually zero carbon footprint. Designed & delivered by local experts, then validated by Southern Energy Management, the years of expertise behind each net-zero energy (NZE) build add to their esteem. Tower At-A-Glance:> 3+ Br, 3.5 Ba + Ample Bonus Space> Three Modern, Sustainable Homes for Sale in Raleigh, NC> Oversized Kitchen W/ Formal Dining, Walk-in Pantry> Three Alfresco Escapes: Patio, Deck & Balcony> Fully-finished Basement Designed For Hybrid Flexibility> Embedded Village District Locale, Minutes To Downtown Raleigh.> Tesla Powerwall, Built-in Fresh Air System, And Countless Other Sustainably-based Features and Fixtures

Timely in its timelessness, Tower’s high-performance features & bold styling pioneer a new era of eco-focused modernism. Climate-conscious materials & cutting-edge tech - TESLA Powerwall, Loxone Home Automation, EV hook-ups, Solar Panels - are pivotal to NZE performance. Air-tight sealing & stringent build standards ensure you’re breathing the freshest air. While the plan - boasting 3+ BR, 3.5 BA, flex & finished basement in 4,000+ sun-soaked sq ft - embodies hybrid adaptability & holistic elegance. Home is fueled by the sun; your lifestyle is fueled by fun & walkable access to the Village District, DTR and community parks. Explore #TowerRaleigh!
